As instructed by your representatives at the EPA Command Center at Durango, CO. we would like to request the following:

- 1) to be add to your Media List for the "Animas Toxic Spill Incident";
- 2) to be included in the First Media Tours to the Gold King Mine, since we understand that the road to the mine has been wash. Please consider that we are the major Spanish language Broadcasters with National coverage in the U.S.
- 3) an On-camera interview before Noon on Thursday Augsut 13, with one of your representatives to talk about:
 - a) How far the Toxic Plume has travel down stream and if its expected that will reach the Colorado River extending its jouney to California and the Mexico's Border ?
 - b) What its been implemented to diminish the spill from its source at the mine ?
 - c) The current contaminant conditions of the water, from your latest laboratory tests.
- 4) any video available produced by the Agencies responding to the emergency.

Thank you in advance for all your assistance on this request.
